Corporate Brochure

About SCG

With a clear client-driven approach, SCG has become the go-to consultancy group. Our clients depend on us to be their partner, enabling their success. We not only understand the pertinent risks that may disrupt their operations, but also understand the resulting business impact of such events taking place. In addition, with vast experience on a global scale, SCG considers every client's organizational culture and provides holistic, practical, and suitable turnkey solutions.

Our Mission

To enable our clients to achieve their goals without hindrance resulting from risk or from unnecessarily restrictive security measures.

Our Vision

To develop partnerships that reduce vulnerabilities while increasing productivity and efficiency for our clients.

SCG's pride is its talent, and all consultants have extensive experience at both official and private levels and are subject matter experts in their field.

Consultants are selected from the military special operations and government agencies across the world to serve our client base both domestic and internationally.

Quality in a service or product is not what you put into it.

It is what the client or customer gets out of it.

– Peter Drucker

OUR SERVICES

Our broad spectrum of consulting services can be summarized as expert, objective advice to mitigate risks to our clients and their concerns. SCG's experts' partner with the client during implementation or recommendations as well as ongoing program maintenance ensuring effective, practical security for the long term.

Organizational Risk & Security Management

Whether you have a security department, or you don't Security Concepts Group can help.

Active Assailant/Workplace Violence Preparedness Training

Tragic situations cannot be predicted, training and preparation is critical.

Executive/Personal Protection

We specialize in protecting fortune 500 Executives, foreign diplomats, high net worth individuals.

Estate Security

You and your family deserve to be safe while you're most vulnerable, at home.

If you had an hour to solve a problem, I would spend 55 minutes thinking about the problem and 5 minutes thinking about the solutions

– Albert Einstein

ORGANIZATIONAL RISK AND SECURITY MANAGEMENT

We specialize in working with Organizations as their outsourced security management partner.

Our trained security managers can operate as your Chief Security Officer (CSO) making security policy and procedure recommendations for your organization regardless of the size.

SCG provides a fresh perspective that can help organizations spot weaknesses and potential improvements.

Our assessment and analysis methods not only to find the gaps, but they also test the current Standard Operating Procedures (SOPs) that should be in place.

What SCG can do for you

- ✓ Provide comprehensive assessments and solutions to negate identified vulnerabilities.
- ✓ Partner with clients to establish protocols, procedures, and policies to ensure their best interests are protected.
- ✓ Establishing specific emergency response procedures.

**RISK and DANGERS are REAL.
Being UNPREPARED is a CHOICE.**

EXECUTIVE-PERSONAL PROTECTION

What is your life worth?
What is your family members lives worth?

We are NOT BODYGUARDS

Our teams specialize in providing personal protection services for clients that are Fortune 500 executives, foreign diplomats, high net-worth individuals and their families.

We were founded based on providing Executive Protection (EP) that is modeled after U.S. Department of State Diplomatic Security Services and Secret Service Dignitary protection protocols.

Our risk management solution services include prevention and protection, while also providing the added value of specialized customer service, regardless of how large or small the security detail.

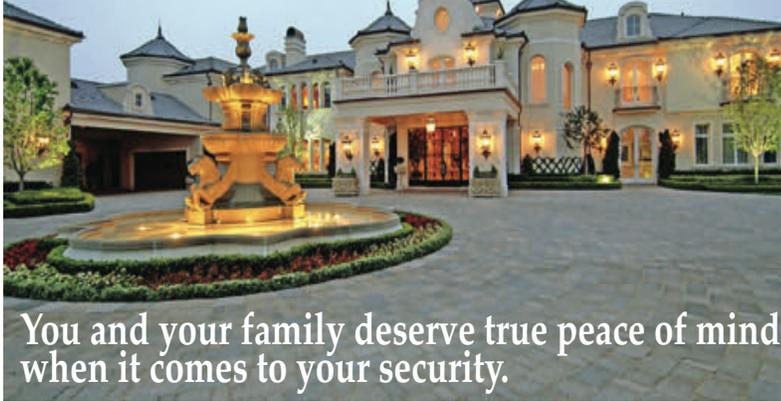

We have decades of specific training and real-world experience required to understand exactly what our clients and their families need; total protection from targeted threats in a low-profile manner that does not draw increased and unwanted attention

Close enough to protect, far enough away not to be introduced.

– Henry Kissinger

ESTATE SECURITY

You and your family deserve true peace of mind when it comes to your security.

Unfortunately, security is often overlooked while we are most vulnerable, at home.

With today's threats and the availability of personal information, securing your residence is more important than ever.

Don't let your estate be a soft target to those that wish to do you and your family harm.

SCG's professionally trained security agents provide a small footprint while maintaining constant security.

- All security agents have detailed background checks.
- All agents are trained and experienced in Executive Protection Protocols
- Agents can go mobile with the client when requested
- Rapid response in emergency situations
- Ability to provide advanced first aid
- Support Estate/Residence Managers and staff

We integrate guard tracking technology

- We track the agent's movement
- Create a Geo-Fence around property
- Capture time and attendance of all agents
- GPS identifies officer's presence and location
- Document all tasks such as perimeter checks
- Document special instruction given to agents
- Provide online, real-time oversight
- Log all security agent activity
- Instant real-time communication

"One single vulnerability is all an attacker needs"

- Window Snyder

ACTIVE ASSAILANT/WORKPLACE VIOLENCE PREPAREDNESS TRAINING

Tragic situations cannot be predicted, so preparation is critical.
Waiting insures one thing, you **WON'T** be prepared should an incident occur.

Our training was developed based on our lessons learned from being involved as first responders to multiple real world mass casualty events

SCG's approach is to **DECREASE** vulnerability and **INCREASE** survivability, with our comprehensive training programs.

Our unique program is called P.A.C.E.- Prepare, Act, Care, Evacuate.

PREPARE

SCG explains the solutions that can be done now to reduce the probability of an active shooter event and maximize the potential of survival if such an event was to occur.

ACT

What courses of action that individuals need to take immediately during a mass casualty event.

CARE

Casualties in crisis situations, die due to treatable wounds. We teach beyond the standard Stop the Bleed so you can potentially save your life and or the lives of others around you.

EVACUATE

We teach what considerations must be thought through and knowing when and how to evacuate.

"By failing to prepare, you are preparing to fail"
– Benjamin Franklin

MANAGEMENT TRAINING FOR ORGANIZATIONAL ACTIVE ASSAILANT WORKPLACE VIOLENCE PREPAREDNESS

SCG's comprehensive, training for management, helps organizations the complex considerations needed to plan for Workplace Violence, Active Assailant and other Mass Casualty situations.

Without having a current plan and training, organizations risk:

- Injury or death of individuals
- Legal action
- Monetary loss
- Productivity loss
- Brand and reputation damage
- Potentially closure of business all together

SCG's Comprehensive Management Training Program addresses what organizations can do today to better **PREPARE** for, **RESPOND** to, and **RECOVER** from an Active Shooter-Workplace Violence situation.

During our leadership training we explain:

- Current Statistics
- Legal Considerations
- OSHA Requirements
- Lessons Learned
- Project Management
- Organizational Responsibility
- Plans, Policies & Procedures
- Components of Workplace Violence Program
- Components of Crisis Management Plans
- Business Continuity Planning
- Staff Training Recommendations

"Prepare and prevent, don't repair and repent"

- Unknown

CATALOG

Knowing it takes as little as 2 minutes for a person to bleed to death, having medical equipment on hand is critical. SCG knows that proper medical equipment can be difficult to select.

All of our products are easy to use and proven effective in real world application.

BOOK

Active Shooter/Workplace Violence Preparedness Book

This book was written based on James Cameron's personal experiences and lessons learned from being involved as a first responder during multiple real-world mass casualty events.

This book gives a unique perspective on preparedness which cannot be replicated by those without the same experiences.

CORE VALUES

TRUST

We understand the sensitivity of our clients' business and personal ventures. Confidentiality is of the highest importance and encompasses every aspect of our Core Values.

INTEGRITY

Security Concepts Group is committed to the highest standards of ethical and professional behavior. We endeavor to instill universally recognized and accepted core values of proper conduct within all our employees.

RESPECT

Security Concepts Group honors the rights and beliefs of our fellow associates, our customers, our employees, and our community. We treat others with the highest degree of dignity, equal opportunity, and trust. We respect the cultures and beliefs of people around the world.

ACCOUNTABILITY

We act ethically and legally as we work to meet our contractual commitments. We take responsibility for our behavior and our performance. We are held accountable for our actions every day. We support quality assurance and personal discipline in all our endeavors.

EXCELLENCE

Security Concepts Group strives to meet or exceed all professional and contractual expectations and obligations. We strive to deliver superior quality services on time and under budget. Our employees and independent contractors are dedicated, loyal, and honorable.

EFFICIENCY

Our goal is to create value with limited resources. Security Concepts Group's employees create exceptional services in response to specific customer needs. We operate a streamlined organization that prides itself on solving issues in a lean, economical manner. We deliver great value for a great price.

INNOVATION

We value, encourage, and empower our employees to dream, to innovate, and to challenge conventional wisdom. We strive to raise expectations and break through barriers others deem impossible to breach.

TEAMWORK

We operate as a coordinated body of collective wisdom and experience. Our employees strive each day to discover and implement cohesive solutions to challenges by using the best minds we can assemble.

SCG's PROFESSIONAL AFFILIATIONS AND MEMBERSHIPS

ASIS International is a professional organization for security professionals. It issues various certifications, standards, and guidelines for the security profession
<https://www.asisonline.org>

The Society for Human Resource Management (SHRM) is a professional human resources membership association. SHRM promotes the role of HR as a profession and provides education, certification, and networking to its members.
<https://www.shrm.org>

InfraGard is a non-profit organization serving as a public-private partnership between U.S. businesses and the Federal Bureau of Investigation. The organization is an information sharing and analysis effort serving the interests, and combining the knowledge base of, a wide range of private sector and government members
<https://www.infragard.org>

The Overseas Security Advisory Council (OSAC), a joint venture between the Department of State and the U.S. private sector, under the Federal Advisory Committee Act to interact on overseas security problems of mutual concern. Objectives of this joint venture are: to establish a continuing liaison between security officials in both the private and public sector; to provide for regular exchanges of information concerning developments in the overseas security environment; recommend methods for planning and implementation of security programs abroad; and recommend methods to mitigate risks to American private sector interests worldwide.
<https://www.osac.gov>

The National Association of Emergency Medical Technicians (NAEMT) is a national Emergency medical services professional association representing all EMTs and Paramedics. The NAEMT educational programs also have an international scope.

The mission statement of NAEMT is to represent and serve emergency medical services personnel through advocacy, educational programs and research." Founded in 1975, the association is composed of multiple committees.
<https://www.naemt.org>

Our team members hold the Board Certification of CPP. The Certified Protection Professional (CPP®) is considered the "gold standard" certification for security management professionals and demonstrates your knowledge and competency in seven key domains of security. Globally recognized as the standard of excellence for security management professionals.
